Dear Children,

The holidays have begun. It's time to have fun. Time for us to catch up with all that we have been longing to do. It's time to catch up with grandma's never ending stories and play wonderful games with grandpa.

To add this fun time, we have prepared some fun filled activities to be done on colored A4 size sheet.

1. Collect and paste pictures and wrappers of the items that are used to keep oneself clean. E.g. toothpaste, soap, cream etc.
2. Make a thankyou collage of corona warriors(collect And paste their pictures from newspapers/magazines) as a mark of tribute in pandemic.

Kindly do this work in practice copy

- **English:** write capital letters A-Z (5 times)
- **Math:** write counting 1-50 (5 times).
- **Hindi:** write swar (5 times).

Please Note:

- **Revise all the concepts of all subject covered till now.**
- **Kindly prepare your ward with one English rhyme and one story for rhyme competition after summer vacations (date will be intimated via circular.)**

We hope you would enjoy these activities and come back to school with zeal and enthusiasm for the next term.

Happy Holidays

HOLIDAY ASSIGNMENT FOR PARENTS

Warm Greetings,

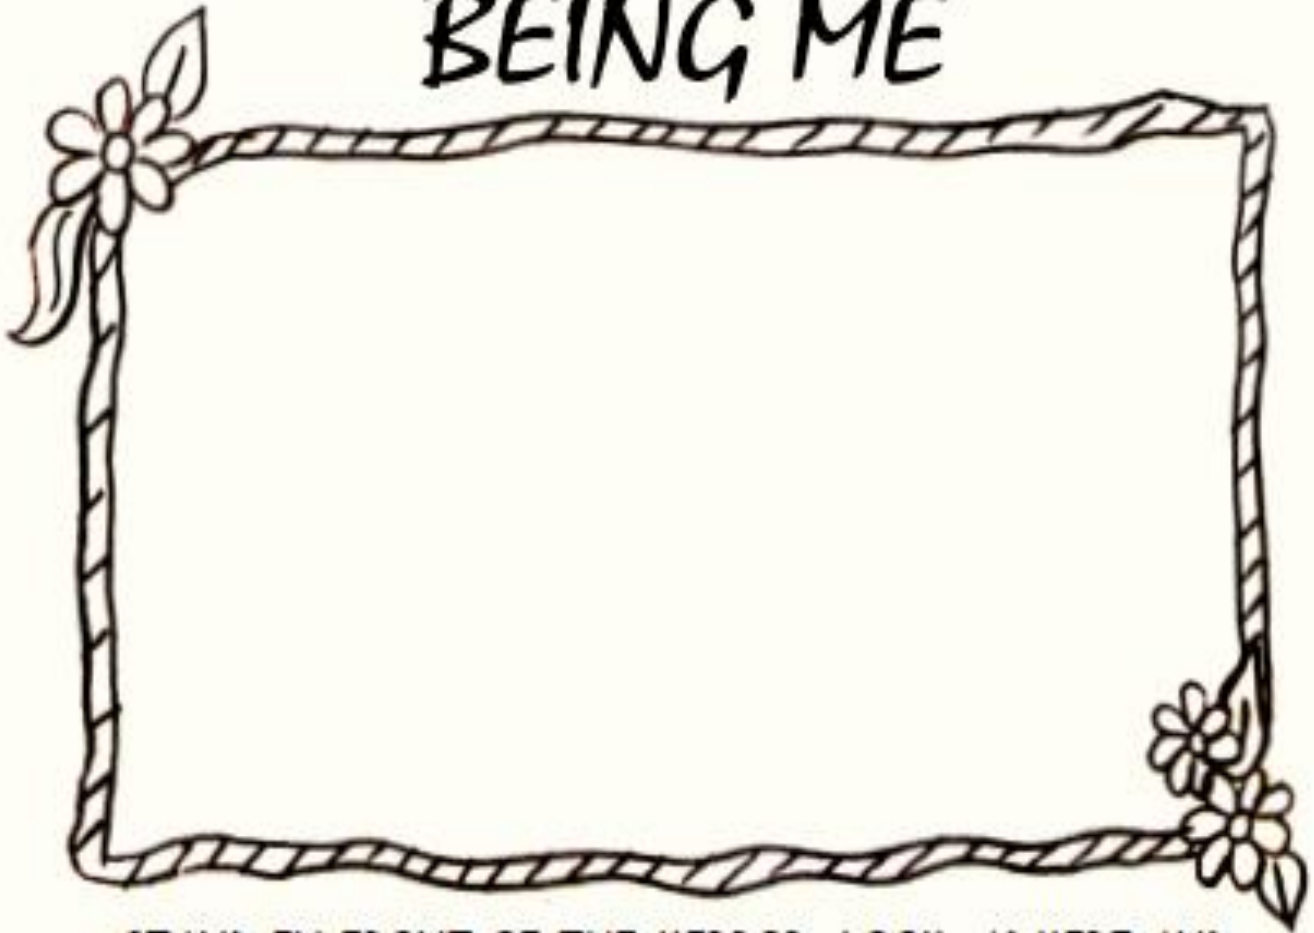

We enjoyed all the online sessions with children. You might have noticed that they all loved to come to class every day. For the next few days

You, their natural guardian will spend the vacation time with them. Let's share some tips to make this period a fruitful and happy period for them.

- **Have at least two meals together with your ward.**
- **Teach them the importance and hard work of the farmers and ask them not to waste their food.**
- **Let them wash their own plates after every meal.**
(Children learn dignity of labour from such activities.)
- **Allow them to help you in cooking.**
(Let them make their own vegetable and fruit salad.)
- **Learn 5 new words in English and list them in notebook.**
- **Spend quality time with grandparents and let your child bond with them. Their love and emotional support is very important for your child.**
- **Click snaps with them.**
- **Talk to them about your work and let your child understand that you work hard to support the family.**
- **Knowledge about plant and trees are an integral part of your child's growth. Gently encourage your child to raise a kitchen garden by sowing seeds.**
- **Share stories about your childhood and family history.**
