Holiday Homework 2022-23

DEAR CHILDREN,

THE HOLIDAY HAVE BEGUN.
IT'S TIME TO HAVE FUN. TIME
FOR US TO CATCH UP WITH
ALL THAT WE HAVE BEEN

LONGING TO DO. GO FOR A LONG WALK
WITH YOUR PARENTS AND ENJOY THE
BEAUTIFUL MORNING SUNRISE AND
EVENING SUNSET, ADMIRE THE
BEAUTY OF NATURE, HEAR THE

CHIRPING BIRDS, AND SEE THE FLUTTERING
BUTTERFLIES.

IT'S TIME TO CATCH UP WITH GRANDMA'S NEVER-
ENDING STORIES AND PLAY WONDERFUL GAMES
WITH GRANDPA.

Happy

Holidays

To add this fun time, we have prepared some fun filled activities to be done on colored A4 size sheet. Kindly complete given task properly and neatly.

1. **ART & CRAFT**

Socks Puppet Children have fun playing around with a puppet and if it is one, they create themselves, then his/her joy knows no bounds. Creating puppets by themselves will open their mind to the world of imagination. You can use material, which is easily available at home and introduce your little ones to the joy of creating with their own hands.

Branch Painting

Branches are easy for children to hold onto and strong enough to survive the painting process. Choosing a non-traditional (yet safe) surface for kids to paint on can be very motivating. For this activity, you can use a small branch, twig or stick for painting. With 4 or 5 painted sticks they can create a colorful bunch of sticks for class decor. These can then be displayed for all to appreciate!

3. **Know about your home,** paste pictures related to it for e.g., living room, kitchen, bathroom, lobby, garden area, bedroom etc.

These activities should be done properly and send presentable work after summer break.
