

Republic Day Celebration

“Patriotism is not short, frenzied outbursts of emotion, but the tranquil and steady dedication of a lifetime.”

The Republic Day celebration at ITBP PUBLIC SCHOOL was a grand occasion, filled with patriotic fervor and a sense of unity. Students from Grades 1 to 9 participated in a special assembly, which began with the soulful rendition of the National Song, setting a tone of reverence and respect for the occasion.

The assembly featured a variety of performances that highlighted the talent and creativity of our students. Young speakers from different grades delivered heartfelt speeches, while others presented beautiful poems that captured the essence of our nation's progress and ideals. A captivating dance performance, set to a patriotic song, further ignited the spirit of patriotism. The school choir group also took the stage, performing an uplifting patriotic song that resonated with the audience, filling the air with pride and enthusiasm.

Our respected Principal Sir addressed the gathering with his words of wisdom, focusing on the theme of this year's Republic Day, Swarniyam Bhart. He enlightened everyone about the significance of this theme, urging students to take pride in India's rich cultural heritage while also striving to contribute to its growth and progress.

The celebration concluded with the felicitation of students who had excelled in the Math Olympiad. The Honourable Principal Sir blessed these bright achievers and awarded them certificates and medals as a token of appreciation for their hard work and dedication.
