

KARATE ACHIEVEMENT

In a remarkable display of skill and determination, two of our students Anaya of grade 7 and talented lad Chitransh of grade 8th have clinched the bronze medal in the Karate Sub-Junior category at the recent zonal level competition. Their impressive performance highlights not only their individual talents but also the strength of their training and dedication.

Competing against a strong field of athletes from various schools, these students showcased exceptional technique and composure. Their success reflects their hard work and the quality of coaching they have received. The bronze medal achievement serves as a testament to their perseverance and commitment to excellence in karate.

We congratulate these young athletes for their outstanding accomplishment. Their achievement brings pride to our school and sets a high standard for aspiring martial artists.
