Earth Day

She is our home, our mother, our silent guardian—treat her with love, or risk losing her forever coz every leaf, every drop, every grain of soil is a heartbeat of Mother Earth—listen before it fades."

 $\stackrel{\wedge}{\Rightarrow}$

On April 22nd, our school conducted a special assembly to mark Earth Day, a global event dedicated to environmental protection and raising awareness about the need to preserve our planet.

The assembly began with a thoughtful prayer for the well-being of the Earth and all living beings. This was followed by the thought for the day, emphasizing the importance of individual responsibility in taking care of the environment. Students then presented a short skit highlighting issues like pollution, deforestation, and climate change, and offered practical solutions such as recycling, conserving water, and planting trees.

A speech by a student representative shed light on the history of Earth Day, its significance, and how small actions can collectively bring about meaningful change. The assembly also featured a beautiful poem and a song dedicated to Mother Earth, which remindesd everyone of the beauty and fragility of nature.

The assembly was concluded by the respected principal sir address through which he encouraged students to become active participants in protecting the environment, not just on Earth Day, but every day.

The special assembly served as an inspiring reminder of our duty towards the Earth and left everyone with a renewed commitment to care for our planet.
