

HWWA FUNCTION

A Moment of Pride and Excellence for ITBP Public School, Dwarka 🌟

ITBP Public School, Dwarka proudly marked its presence at the 33rd HWWA Raising Day Celebration, held on 31st January 2026 at Noida, by showcasing the remarkable artistic and cultural prowess of its students. The event provided a distinguished platform to perform before the Respected Smt Bharti Kapur chairperson HWWA and eminent dignitaries of HWWA, making the occasion truly special and memorable.

The grandeur of the celebration was elevated by the gracious presence of Bollywood icon Ms. Raveena Tandon, who honoured the event as the Chief Guest. Our talented students captivated the audience with power-packed demonstrations of martial arts, judo, and self-defence techniques, followed by an energetic and foot-tapping cultural performance that filled the atmosphere with enthusiasm and applause.

The commendable efforts of the students and the cultural team received special appreciation from the DG Ma'am. As a token of encouragement and recognition, each participant was felicitated with a certificate of participation and a momento of appreciation.

The event stood as a testament to the confidence, discipline, and creativity of our students—an experience that will be cherished with pride by the entire ITBP Public School family. 🌟👏
