

EARTH DAY SPECIAL ASSEMBLY

ITBP Public School witnessed the "EARTH DAY" celebration for students of grade KG to 12th.

Earth... the planet... the mother... with so many names that all human life depends on.

In order to raise awareness about the protection of Earth and its greenery, and to respect the environment, The ITBP Public School organized an Earth Day special assembly for students on Friday, April 21st, 2023. Assembly began with a prayer. The Programme highlighted importance of Earth Day, its purpose, its uses, how to raise awareness about cleanliness of the environment. Our tiny tots of pre primary tapped their toes on Mother Earth song, primary students recited beautiful song. Grade 6th to 9th students presented wonderful nukkad natak to spread the awareness about to save the planet.

Students not only enjoyed the programme but pledged to do their part to protect Earth.

A poster-making competition, Best out of waste craft were also held with different themes.

Principal sir Mr. Surjan Singh also addressed the students, urging them to understand the importance of the Earth and to contribute towards its protection by planting more trees, using less plastic.
